## Seasonal Symposia

*Ideas Festivals from Editorial Intelligence*

**"It is a lovely event...very good idea to cross-pollinate in this way"**

**Margaret Atwood**

**What?** Editorial Intelligence runs a number of symposia both in the UK as Names Not Numbers (NNN) and also in Europe as the Human and the Machine. Our conferences encapsulate the best of ei – our curated ideas, our blend of content and connection and the outstanding quality of both our participants and speakers. Come with us to a city to meet great people, hear interesting ideas and build your networks.

The main NNN event this year takes place across a weekend in September in Oxford looking at the topic of 'Judgement'.

Other away-days for 2018 include a 1-day event in and around the stunning Waddesdon Manor in Buckinghamshire in June; while our post-Brexit Human and the Machine European gatherings this year begin with a 1-day event in Berlin in May, where we will be looking at the implications of the huge tectonic shifts taking place for humans facing the second machine age.

You can attend 1 event, 2 events, or all 3 if you wish!

**Who?** Speakers for the conferences include **Baroness Helena Kennedy QC**; **Marcus John Henry Brown**, Creator, The Passing; **Stephanie Theobald**, Author and Journalist; **Max Neufeind**, Policy Advisor, Federal Ministry of Employment, Germany; Poet and Presenter **Mr Gee**; **Sanjay Nazerali**, Global Chief Strategy Office, Dentsu Aegis Network; **Inger Paus**, Managing Director, Vodafone Institute; **Charlotte Steenbergen**, Senior Project Manager, European Forum Alpbach, amongst others.

Speakers and audiences are comprised of individuals from across the fields of business, media, culture, policy, academia and digital worlds; the key thing is that they're 'interesting and interested'.

**When?** **Berlin**, 24<sup>th</sup> May; **Waddesdon**, 11<sup>th</sup> June; **Oxford**, 28<sup>th</sup> – 30<sup>th</sup> September
